Rattan - the Queen of romantic furniture, inspired by the magic
of a South Sea moon. . .

Rattan - richly endowed with tropical color and charm, and the
flexible strength of trees grown in the Malayan jungle - blends
beautifully and comfortably into gracious American living. . .
in sparkling sunrooms. . . formal and informal
. . . indoor & outdoor terraces.

Making the finest Rattan furniture in America
is more than a habit with us. . . it's a tradition.
Because, after nearly thirty years of manufacturing
this type of furniture, we still create the leading styles in Rattan.

With pride we point to the construction and finish
of our custom-built pieces,
made by craftsmen skilled through generations of experience
in working with top-quality East Indies Rattan. . .

You buy the best when you buy Willow & Reed Rattan.
